

COUNTY ELECTIONS

Ballot, Ireland, June 4.—As a result of county and district con-

all elections the Men Pals National alliance has secured control in County Tyrone for the first time. In addition, it has maintained its hold on County Fermanagh by a majority of 509.

Keenest interest was taken in these elections because both coun-

ties are included within the Ulster area outlined in the Irish bill now before the British parliament. Various election tricks were revived, one woman disguising herself and voting as her own mother. Another is said to have voted seven times.

GRANTED DIVORCE WHEN LIVE SPIRIT COURTS HIS WIFE

Chicago, June 4.—On the allegation that his wife had "the peculiar

action she was married to the spirit of a dead man," Charles H. Green was granted a divorce here today. Green described what he termed the love affair of Mrs. Green and "Billy."

When she had loved in the spirit, "No," replied Green. "She met him through a medium. She said that 'Billy' came often, but in my presence he never appeared in his material body."

This 20% Reduction Sale Grows in Momentum as Men Realize and Recognize These Super Values on Fancy Suits

A prominent clothing manufacturer was here the other day and said to us: "Why do you sacrifice such fine suits at such ridiculous prices when you know that they'll be worth so much more money when Fall comes around?" "Maybe we'll be sorry," we said, "but my, how glad our customers will be and making them glad will only strengthen their interest in this store. That's really all that counts in the long run." Folks are seeking economy nowadays. We know no better time to give it to them than now. Folks will appreciate the values on their backs more now than when the season is about over.

It's that very idea that is making this sale so successful, making it bigger and bigger every day because men realize the savings are greater than 20%—that the 20% reductions are from already low prices on a basis of the narrow profit plan upon which we have been operating all season. Furthermore men realize that the suits involved are the season's choicest productions from Hart Schaffner & Marx, Society Brand and Clothcraft. No sale in the tri-cities even approaches this one in value-giving.

Why pay more for poor meat when you can buy corn fat home dressed meat at the same or cheaper prices?

Last year lard was 48c, now I sell pure home rendered lard for 25c. Lamb has also dropped 10 cents. Calf skins have dropped from 95c per lb. to 20c per lb. since Christmas which will no doubt make shoes cheaper soon.

A trial of my home dressed meat will convince.

These prices are good for all three of my markets.
